

MAHA ALAMRI

SKILLS

EDUCATION

Interior Architecture | 2019 | George Washington University

Math and Physics | 2015 | King's College London
Foundation year in Math and Physics to further expand knowledge in engineering and science.

EXPERIENCE

Design Intern | MOI | Summer 2019

Supported designers in product research and presentation, and assisted designers in space planning and furniture specs and finishes. Input field measurements into CAD plans and created 3D colored renderings. Assisted with presentation/finish boards.

Rhino Student Tutor | GW | 2019

Helping students navigate Rhino to excel in their project designs.

Designer | Transformer Gallery | 2018

Designed the giftshop of the Annual Transformer Silent Auction & Benefit Party.

Graphic Designer | TWBA\ | Summer 2016

Worked alongside graphic designers and created visual advertisements for different clients and companies such as Nissan, specifically for social media platforms.

ORGANIZATIONS

President | GW Interior Architecture Student Group | 2018-2019

Organized and planned events for the students such as field trips, workshops and lectures with designers, and participating in the advisory faculty board.

Student Member | IIDA | 2018

Student Member | ASID | 2018

Student Member | AIA | 2019
